

Description	Notes	Cost/value in £
Computer	Include the monitor, keyboard, mouse, speakers etc where necessary.	
Other hardware	Printers and the like.	
Software	Anything you've bought such as Office, photo editor, games etc.	
Written documents	Any letters, spreadsheets, presentations or such things all have two values, the time you took to produce them and any value they may have otherwise.	
Music	The price of any downloaded music or videos bought and stored on your computer.	
Photographs	Digital cameras produce huge quantities of family photos. What value that irreplaceable first photo of your first Grandchild?	
Bank account/card details	Calculate by adding the contents of your bank account/s to the remaining balance of any cards you have used to buy goods over the Internet.
